

Address Tae The Haggis

Fair fa' yer bonnie face,
Bearing a sonnsie grin,
Whit yer cooking ye reek,
But yer taste is someting
Tae mak a lad melt.

Yer bewildering looks,
Tak a lassie's breath away,

Yer beastly features,
Mak ye look like,
A Haggis monster,

We nae want salad,
We nae want beef,

So get oot the kitchen,
Get on me plate,

And let the Lord bethankit!
